THE INSTITUTIONAL DIALOGUE PROJECT OF THE GREEN LIVING AREAS MISSION

Strategic Territorial Plan of the Metropolitan City of Cagliari

Top Reference Policy Instrument

Spatial planning

Policy Objective

The objective is to strategically enhance the Metropolitan City of Cagliari's infrastructure and services, improving resilience and economic sustainability. It aims to develop an integrated urban environment that balances growth with environmental stewardship.

Policy Description

The plan provides a framework for coordinating development initiatives across various sectors such as transportation, environment, and social services. It emphasizes stakeholder involvement from public bodies, businesses, and citizens to ensure the strategies are responsive to local needs and opportunities. The approach is dynamic, allowing for ongoing evaluation and adaptation of the strategies based on emerging challenges and priorities.

Project summary

The Institutional Dialogue Project of the Green Living Areas Mission seeks to enhance policy transfer through dialogue among policymakers and public stakeholders. It focuses on continuous policy improvement and transformation, and aims to establish long-term cooperation on public policy instruments at the Euro-Mediterranean level, ultimately improving citizens' quality of life.
