THE INSTITUTIONAL DIALOGUE PROJECT OF THE GREEN LIVING AREAS MISSION

Urbanistic development plan of the Lušćić area in the City of Karlovac

Top Reference Policy Instrument

Spatial planning

Policy Objective

The plan aims to revitalize and develop the Lušćić-Centar area by transforming it into a vibrant, multifunctional urban space. This redevelopment seeks to enhance the quality of life for residents, attract new businesses, and preserve cultural heritage while introducing modern amenities and green spaces.

Policy Description

The Plan outlines a comprehensive strategy for the urban revitalization of the area. It proposes the restructuring of urban spaces to create a cohesive and integrated community. The plan includes the development of residential, commercial, and recreational areas, improved infrastructure, and enhanced public transportation links. Emphasis is placed on sustainable development with the integration of green technologies and the preservation of significant historical sites.

Project summary

The Institutional Dialogue Project of the Green Living Areas Mission seeks to enhance policy transfer through dialogue among policymakers and public stakeholders. It focuses on continuous policy improvement and transformation, and aims to establish long-term cooperation on public policy instruments at the Euro-Mediterranean level, ultimately improving citizens' quality of life.
